**Section Three—Essay Questions**

Answer both questions on separate 8 ½ X 11 sheets of paper and attach to application.

(1.) In 500 words or less, describe your goals for contributing to your school and community as a student government or civic organization leader.

(2.) *Your representative owes you, not his industry only, but his judgment; and he betrays instead of serving you if he sacrifices it to your opinion.*

*Edmund Burke – 1774*

In light of the above quotation, develop an essay in which you present and issue, either past or present, that illustrates how a United States Senator might find himself or herself in a position of supporting a measure or action unpopular with his or her constituency. Response should be 1000 words or less and accompanied by a bibliography of no fewer than three (3) and no more than five (5) sources.
